**Titan Associates, Inc. dba A.G. Maas Company**

was founded in 1915 by Albert G. Maas. Maas used his experience as a pharmacist to develop many of the cleaners himself and sold them from a horse-drawn carriage in downtown Indianapolis.

Much has changed since our company's early years, but one thing remains constant even today – our unwavering commitment to our customers. We treat everyone with respect and honesty. When you partner A.G. Maas for your janitorial supplies and furnishings, you're more than just a client or a number; you become part of our family. We'll do whatever it takes to solve your problem no matter how unique it is.

## Differentiators

- We take the pain out of procurement.
- Solutions-oriented supplier.
- We know the best products to recommend.
- Superior service & expertise with quick delivery. and competitive prices.
- Proven procurement process.
- A.G. Maas has been providing facility supplies for over 105 years.
